A Letter from the Head Coach

Welcome Cardinal Fans, Parents, Alumni, Administration, Boosters and Visiting Teams. My name is Lance Lovitt, and I'm extremely proud of the opportunity to lead the Cardinals football program. Since moving to Corbett in the first week of August my family & I have had the opportunity to meet a number of outstanding people with deep ties to Corbett and the community. We wanted to move to a small community to raise our kids in and with a school with great academic expectations.

This will be my 16th year of coaching football and my 9th year as a head coach. I have been an assistant coach for 4 years at the high school level and 3 years as a college assistant coach. I have spent a number of those years turning programs around and re-building them to compete for a conference title as well as competing with best teams at the state levels.

Pulling from my small school experiences as a 4 sport letter athlete, I really encourage our players to play multiple sports as well as getting involved in coaching other sports. I have helped out with the wrestling programs in the past and taking the head coaching position to start up a wrestling program that had been dropped for over 18 years. I have also assisted with Track/Field helping with the sprinters, jumpers, vaulters and hurdlers.

When I'm not busy coaching high school athletes, I try to hit the golf courses with the family and coach my kids in T-Ball/Coach Pitch, camping, fishing & boating.

Family: Wife, Wendy (married 18 yrs), Kids, Lincoln 7 yrs, Amber 6 yrs, Callie 3 yrs, and Teah 4 months.

Senior Spotlight

Isaac Noles: Isaac has been working hard as the Quarterback, learning our new offense and leading the team. On defense Isaac will use his leadership to help lead our secondary as a safety. Isaac's past experience will help lead the Cardinals into a positive new direction.

Joey Deibert: Joey will be playing Wide Receiver this year and with his athleticism and height I feel we can make him into a dual threat with our short and long passing game. Defensively Joey will be playing our "Rover" and will be playing in a number of places in our Flex scheme.

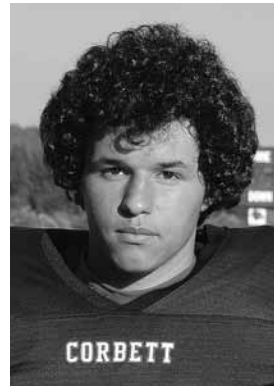

Mitch Baher: Mitch is going to aid us with his leadership on the Offensive & Defensive Line positions. Mitch's previous two years of lettering will help anchor the youth on both sides of the ball on the line. I see Mitch having a great year in leading the charge in helping us build a strong foundation.

Senior Spotlight

Mark Witka: Mark returns to the Cardinals after having not played for a couple of years. Mark has shown some great assets that we plan to utilize this year. He has really quick feet & speed which will help our secondary and to use him as slot back on offense.

Dustin Swanson: This will be Dustin's first year of playing high school football. Dustin has been doing an outstanding job of learning the game and improving everyday. I'm excited to see where Dustin will settle into for a position (either a Tackle or TE) because of his rapid improvement I feel he will become an asset for us this year.

Austin Metcalf: Austin is another player who returns to the Cardinal lineup after taking time away from football. Austin will play a flex TE/WR for us as well as LB. Austin does an outstanding job of putting himself right in the middle of the action and I see Austin having an outstanding season.

2010 - 2011 Corbett Sports Recap

With the significant influx of students through our Charter School, you might say we experienced some growing pains as we joined the 3A Lewis and Clark League for the 2010-11 school year.

FALL: Our **Football** team was competitive in non-league play but struggled to come up with a victory in our new 3A conference.

Boys' Soccer continued pace in the 3A/2A/1A Special District #2 by taking 2nd place in the conference. The 1st round state playoff trip to Pleasant Hill proved to be the last contest for our boys as they dropped the match by a score of 2-0.

Girls' Soccer came up one game shy of a state appearance as the Lady Cards lost to Portland Adventist in a playoff contest for 3A/2A/1A Special District #2.

The best finish for fall athletics came at the hands of our **Volleyball** team. Our Lady Cards did not miss a beat in the transition from 2A Northwest League to 3A Lewis and Clark League as they finished 2nd in conference standings and were ranked in the top 10 of the 3A Division for the majority of the season. A home, first round, state victory against Glide placed the Cardinals on the road to Lane Community College, where the final 8 teams in the state vied for the championship. Our Lady Cardinals finished with a 24-7 overall record and a 7th place finish at the state tournament.

Playing at home in front of an excited crowd, our **Middle School Volleyball** team captured the League Championship for the 3rd year in a row!

WINTER: Winter season brought more growing pains within the Lewis and Clark Conference. The **Girls' Basketball** team was considered young by many but had the potential to make some noise in our new league. Although our girls were competitive in league play, the end result saw our Lady Cards coming up short for a league playoff berth.

The **Boys' Basketball** team was very competitive in league play going 8-8 against Lewis and Clark opponents. The Cardinals made the league playoffs and hosted Catlin Gabel in the first round. After beating the Eagles in the first two league contests, the Cardinals ran into a buzz saw in the playoff game as Catlin Gabel ended our boys' season.

Our co-ed **Wrestling** team sent three representatives to the State Tournament and brought home one state champion as Cierra Williams took 1st place in the women's 154 lb. weight class!

The Corbett **Swimming Club** had a phenomenal run at the state title, sending 5 swimmers to the State Meet held at Mt. Hood Community College. Collin Eaton finished 1st in two events while fellow swimmer Isaac Hewitt had

one 1st place finish! Five young men accumulated 40 points and finished in 5th place overall. 1st place North Bend finished with a total of 45 points as the championship came down to the last event of the day. It was a great run for our boys!

SPRING: Spring season came with a lot of expectations for our **Softball** team. Sporting a great blend of pitching and catching and strength at every fielding position, the Lady Cards may have put their best overall team on the field in 2011. The Lewis and Clark League happened to be, however, one of the strongest at the 3A level. Our girls lost a tight playoff game to Valley Catholic, which surprisingly ended what many thought would be a deep run into the state playoffs.

The **Baseball** team struggled to get outside as one of the wettest springs on record allowed for 6 total outdoor practices. It was tough for our Cardinals to get any momentum going, particularly against our 3A opponents.

Our **Track and Field** team sent three representatives to the State Track Meet at Western Oregon in Monmouth and brought back a champion as Brandon Steinhauer took 1st place in the 3A shot put!

Expectations are extremely high as the 2011 fall season is upon us. Our Volleyball team is returning all of their starters from last year's state team, along with strong support players. Anything less than a repeat state appearance will be a disappointment to these young ladies and their Head Coach Angela Davis.

Football comes in under the direction of new Head Coach Lance Lovitt. A lot of athleticism along with a new direction in coaching will surprise quite a few people this year. First step is making the league playoffs. Coach Lovitt is excited about the prospects.

Girls' Soccer returns most of last year's squad with the addition of several underclassmen. The Lady Cards look to build and take the next step in making the state playoffs. Brie Windust, in her second year as head coach, is looking forward to pushing these young women to the next level. Don't be surprised to see post-season play from this group.

Boys' Soccer looks to repeat its state appearance for the 3rd straight year. With a motivated group of seniors and support players, new Head Coach Craig Payton believes his team is ready for the challenges of the new season. The next step for the Cardinals is to crack into the final 8 of the state playoffs; but before that happens, their toughest opponents will lie in league play.

A Letter from the Booster President

The Corbett Booster Club would like to welcome everyone back to the 2011-2012 school year. The Boosters are looking forward to another great year in sports, but there is a lot of work to do to maintain our programs. As many of you know, the Corbett Booster Club has stepped up to keep all current sports in Corbett. Financially, we will be funding approximately 90%.

This monetary commitment, by far, is the largest the Boosters have taken on since its start-up 6 years ago. The Booster Club will need to raise \$170,000 to continue athletics and keep all sports. Not only is funding needed but new volunteers to get involved and be a part of the organization is important. We ask every parent and community member to help our cause and provide our athletes with the opportunity to play sports for our school. Thank you to the sponsors and members that have already stepped up to support our athletes. This gives our athletes the opportunity to achieve their sports goals.

Our Red & Black Auction & Dinner is scheduled for Saturday, March 10, 2012. Mark the date on your calendar for our largest fundraiser of the year. Over \$55,000 was raised at our event last year – and we look for an even more successful evening.

Go Cards!
