## A Letter from the Girls' Coach

Being a part of this community is a blessing we all share, and it is our responsibility to show this group of outstanding young athletes our support. These athletes are not just playing a game - they are learning and developing life skills, such as teamwork, sportsmanship, respect, and having a positive attitude - skills crucial in developing positive self esteem.

I would like to take this opportunity to say thanks.

To the Lady Cards the phenomenal young women who remind us with their pursuit of excellence, and their dedication to the game that they play because they truly love it, you are an inspiration to all of us.

These athletes have inspired and motivated me to keep coaching, proud would be an understatement.

To the assistant coaches who made a commitment to these athletes and are all volunteering their time, we couldn't do it without you.

To the Corbett Booster Club, parents, and fans, the energy you all bring to the gym is what drives us to work hard each and every day to continue to grow as a team. Thank you for all your support. The team has 10 returning seniors and this season should be exciting.

Cheer loud!

**Coach Schimel**

*Coach Schimel started playing organized basketball when she was 8 years old. Being the daughter of a professional basketball player she was always in the gym, playing a game or watching one. Schimel was a three sport athlete at Lake Oswego High School where she was part of the 1991 and 1992 state championship tennis team. In 1993 her basketball team took the state title and she was named second all-tournament team. Schimel received a full basketball scholarship to San Jose State University. She started in all but one game and still holds the record for three point attempts and made from 1994-1997. Earning a B.S. in Kinesiology she was planning for a career as a Physical Therapist but took a different path and has been working for Portland Fire and Rescue since 1999. Moved to Corbett in 2006 and was hired on as the JV/varsity assistant coach that same year. This is her second year as varsity head coach.*

## **A Letter from the Boys' Coach**

I would like to take this opportunity to thank you for coming out to support our basketball teams. We are very excited about our season and the opportunity to compete and play in our home gym in front of a supportive home crowd. The tradition of basketball in this gym goes back to 1955. My uncle, Curtis Smith, was a senior on the team that played and won it's first game in this gym. They won on a last second shot by Curtis! Since that first game, there have been many more exciting games and finishes, and I know that many of you have had your part in our basketball traditions. I am reminded of this daily

as I work with our coaching staff - Charlie O'Neil (class of '73), Daren Martin (class of '77), Don Carter (class of '95), John Paul Soulagnet (Athletic Director since '92) and myself, (class of '81). We have all had our share of basketball thrills in this building. Don Carter was a player on the back to back state title teams in '94 and '95 and Coach O'Neil was on the coaching staff those years.

This year's team promises to add their own chapter to the excitement and tradition of basketball here at Corbett. We have set goals and aspire to be the best we can be, to play hard and give every effort. Our success will not be measured by the number of wins we have, but rather by knowing each player gave his all, maximizing the skills and abilities they have been given and have worked so hard to improve. We want to develop a team first attitude in which each player will ask "how can I make the players around me better?" This is how we will measure our success and I hope you will join us in this season's journey.

We need your support and appreciate so much each and every one of you. Many of our players are seniors this year, who have played all of their lives in our community. They, more than anyone, know and appreciate the value of being supported by a community such as ours. Our seniors give a special thank you to all the parents and community who have cheered them on all these years. Again, thank you for being here, and here's to a successful season.

**Jeff Smith**

Head Coach

Corbett High School

## Corbett Cardinal Girls' Varsity Roster
